DEPARTMENT OF SUGARCANE DEVELOPMENT

MANUAL- 1

PARTICULARS OF THE ORGANIZATION, FUNCTIONS AND DUTIES Particulars of the Organization-

The Sugarcane Development Department was first created in the year 1935 when Sugar factories were established in this State in the 1930's. The first sugar factory was established in 1904 at Marhawah in the District of Saran (Chapra), which was also the first sugar mill in the country.

2. The main functions of this Department are administration, supervision, inspection and collection of revenue from sugar factories. The functions are regulatory as well as developmental in nature.

3. In the year 1937, the Bihar Sugar Factories Control Act, 1937 was enacted and the Sugar Factories Control Rules 1938 were framed. The Department was charged with the regulation of this Act and the Rules framed thereunder. Initially there was one post of Cane Commissioner, one post of Assistant Cane Commissioner, one post of Special Cane Inspector and seven posts of Cane Inspectors; all gazetted posts.

3.1 Prior to September 1974, the Cane Development Section was a part of the Agriculture Department. On 10.01.1979 the Cane Department was declared as an independent Department with the following subjects under its jurisdiction as per the Rules of Executive Business:

1. Cane Co-operatives
2. Sugarcane Research and Development
3. Supply of Sugarcane, regulation of purchase and distribution of Sugarcane.
4. Determination of Sugarcane Cess and Commission.
5. Control of sugar factories.
6. Control of Bihar State Sugar Corporation.
7. Other works relating to Sugar/ Khandsari Industry.
8. Control of all officers serving in the Sugarcane Department.
9. Administrative Charge of all buildings occupied by the Sugarcane Department.

3.2 In the year 2004 this Department was merged with the Department of Industries. Since 2006 it has been declared an independent Department for the functions mentioned in the above schedule.

Functions of the Organisation

The main functions of this Department are to enforce the provisions of Bihar Sugarcane (Regulation of Supply and Purchase) Act, 1981 and the Rules framed thereunder. The Development Wing of this Department is concerned with the development of sugarcane cultivation. This caters towards the objective of catalysing improvement in sugarcane production, research and development.

Duties of the Organisation

In accordance with the provisions of the aforesaid Act and Rules the functionaries of this Department are to discharge the following duties :-

The Departmental Officers:-

(i) help the sugarcane growers in proper choice of sugarcane varieties, preparation of cane fields, proper and adequate managing of the field and application of proper techniques in planting sugarcane by way of extension activities.

(ii) advice on the requisite irrigation requirements of the sugarcane fields. They also provide subsidies given by the government, both State and Central, for enhancing irrigation facilities,

(iii) regulate the supply of sugarcane to factories.

(iv) also collect Cane Purchase Tax from the factories, and

(v) assist in the collection of a normal commission on the value of cane purchased by the Mills. This is in turn passed on to the Zonal Development Councils (ZDCs) which take up the execution of small development works. The District Magistrates of the concerned districts are the Chairman of the Zonal Development Councils. The structure of the ZDCs is available at MANUAL- 8(2), and

(vi) the field staff help to impart techniques to the cane growers in the proper management of sugarcane before harvesting. They also take up survey of sugarcane crops.

(1) Bagaha (2) Ramnagar (3) Narkatiaganj (4) Lauriya (5) Chanpatia (6) Majhulia (7) Sugauli (8) Motihari (9) Chakia (10) Motipur (11) Riga (12) Goraul (13) Samastipur (14) Hasanpur (15) Lohat (16) Sakri (17) Raiyam (18) Banmankhi (19) Sidhwalia (20) Gopalganj (21) Sasamusa (22) Hathua (23) Siwan (24) New Savan (25) Marhawrah (26) Bihta (27) Gurau (28) Warisaliganj (29) Mairwa (Pratappur) and (30) Dhanaha (adhoc).

2.3 Constitution of Z.D.C:- The Zonal Development Council consists of the following members, namely -

- (a) the Collector of the district or the Sub divisional Officer or the District Development Officer, who shall be the Chairman;
- (b) the District Agriculture Officer or the Assistant Director of Agriculture (Sugarcane) or the Sub divisional Agriculture Officer;
- (c) a nominee of the Cane Commissioner who shall be the Secretary;
- (d) the District Engineer;
- (e) four representatives of local cane-growers and co-operative societies who shall be nominated by the State Government and of whom not less than two shall be representatives of the Co-operative Societies and shall be such persons as are recommended by the co-operative society referred to in section 62; and
- (f) one representative of the occupier of the factory to be nominated by the State Government on the recommendation of the occupier:

Provided that where the reserved area is so constituted to spread over more than one subdivision or district, the Chairman shall be appointed and membership of the council augmented in such manner as may be prescribed to provide for representation of all parts of the reserved area.

2.3.1 The council shall initially be constituted for a period of three years and shall subsequently be reconstituted for periods of like duration.

3. Constitution of the Board of Directors of the Corporation

3.1 There is one corporation under this Department called “The Bihar State Sugar Corporation Ltd.” (BSSC)

3.2 This Corporation consists of the following members, namely :-

(i) Managing Director	-	1
(ii) Directors:-		5

(a) Cane Commissioner

(b) Director, Industries

(c) Director, Sugar Cane Research Institute, PUSA

(d) Representative of S.B.I., Patna

(e) Representative of Finance Department

3.3 This Corporation is constituted by the State Government under Article 96 (i), 80(i)(ii) and 82 of the Articles of Association.

3.4 In view of the financial sickness of the BSSC, a liquidation petition was filed before the Hon’ble High Court in August 2002.

With the objective of revival/ rehabilitation of the closed 15 Sugar Mills a high level committee has been constituted to formulate an action plan for this purpose.

A) Accordingly, a high level committee was set up in February, 2006 under the Chairmanship of Development Commissioner to prepare an action plan for the revival of these 15 sugar mills. The Committee is actively considering different alternative aspects of the revival or running of the mills.

Schemes under State Plan

A scheme aimed at increasing the production and productivity of sugarcane in order to bring it at par with the national average is being implemented under the State Plan. Assistance is provided to the sugarcane growers in the following manner :-

- (a) Assistance on purchase of improved seed :- Under this scheme an assistance of Rs. 25 per quintal is given to sugarcane grower for purchase of improved seed.
 - (b) Assistance on transportation of seed :- Sugarcane growers have to carry certified seed over long distances for which they require assistance. Under this scheme, on an average @ Rs. 25 per quintal is provided as subsidy for transport of seed.
 - (c) Assistance on seed and soil treatment :- As seed and soil treatment is an effective measure for sugarcane cultivation, therefore assistance is provided to growers for purchase of plant protection chemicals for seed and soil treatment @ Rs. 500 per hectare to combat insect/pest caused diseases as well as for treating seeds, and the soil.
 - (d) Assistance for Jaggery (Gur) Development Work on Purchase of Improved Karah and Crusher :- The entire cane produced in South Bihar and other non factory areas of North Bihar is primarily used for making gur (Jaggery). It is a cottage industry which provides employment to skilled and unskilled labour and is a source of substantial rural income. Normally, traditional equipments and technology is used in the process of making jaggery, which has an adverse effect on the quality of the produce. To help and promote new techniques for preparing quality jaggery, financial assistance of Rs. 5000 per set is provided for purchase of improved Karah and Crusher under this programme.
 - (e) Seed Multiplication Programme :- Multiplication of breeder seed through Government organizations, sugar factories and NGO's is encouraged to ensure the availability of improved variety and quality seeds. Government provides Rs. 20000 per hectare as cost of input for this purpose.
 - (f) Seminar and Exhibition :- Communication is an important means of transferring the latest available technology from the laboratory to the field. Seminars are organized on different topics to train the farmers about such technology. Kisan Melas, group discussion, farmers tour of Research Institutes are also organized under this programme for this purpose.
2. Bio-technology and Sugarcane Research Institute:- It is proposed to establish a Bio-technology and Sugarcane Research Institute at Kumarbagh near Bettiah in the district of West Champaran costing about Rs. 5.00 Crores to ensure the availability of adequate techniques to solve recurring problems and constraints; as well as for strengthening Sugarcane Research. Plan allocation and outlay has been provided for this purpose.

1. INCENTIVE PACKAGE FOR REVIVAL OF SUGAR INDUSTRY

Government of Bihar,
Department of Cane Development

RESOLUTION

No.Chi.Ni.-01-03/2005-Part-I-158

Dated, Patna the 20th of January,2006

Sub : Sanction of Incentive package for the establishment and development of Sugar and sugar based Industry in the State.

The State of Bihar is an agriculture based State. Sugar Industry has been the most important amongst the industries based on agriculture in the State. In view of the unlimited potential for the development of Sugar and Sugar based Industry, namely, distilleries, production of ethanol, co-generation of power, engineering units related to sugar industry, confectionary units, organic manure and paper industries. It was perceived that development of this industry of the State would result in the strengthening of the rural economy, rural prosperity and development, and the creation of employment in the rural areas.

2. In line with the provisions of the New Industrial Policy of the State, it was decided to approve/ sanction a carefully considered (planned) “Sugar Industry Incentive Package” with the objective of attracting foreign capital investment for the technical upgradation and capacity expansion of sugar mills, as well as for establishing new sugar mills for attracting enterpreneurs in the private sector to invest in the sugar industry of the State so that the capacity of the existing sugar mills of the State may increase.

3. In this perspective, after careful consideration the State Government decided to approve an Incentive Package with the objective of establishment of new sugar mills in the private sector as well as for expansion of the installed capacity of the existing sugar mills. Under this package such new sugar mills with crushing capacity of at least 5000 TCD proposed to be set up; existing sugar mills in the private sector with installed crushing capacity of less than 5000 TCD which are willing to expand their crushing capacity up to 5000 TCD or more; and working sugar mills, having present installed crushing capacity of 5000 TCD or more which expand their installed crushing capacities will qualify to avail of the benefits of the Incentive Package commensurate with the intended capacity expansion. At the some time, it was decided, in principle, to extend the benefits of the incentive package to the by-products of sugar mills which is used by distilleries, and for producing electricity by co-generation.

4. In view of the above, the State Government has decided to grant the following concession/ exemptions, reliefs :-

Concessions/ exemptions, Reliefs under the Incentive package for establishment of sugar mills and for capacity expansion

- (i) Reimbursement of excise duty on sugar.
- (ii) Exemption from purchase tax on cane.
- (i) A subsidy of 10% , of capital investment (machinery and equipment) will be due/ admissible/ payable subject to a maximum of Rs. 10.00 crores, whichever is less.
- (ii) Exemption from stamp duty and registration fees on purchase of land.

Concessions/ exemptions, Reliefs for establishment of distillery

- (i) Subsidy of 10% on investment in immovable capital investment (machinery and equipments)
- (ii) Exemption from administrative charge on molasses
- (iii) Reimbursement of commercial tax (VAT) on molasses.
- (iv) Exemption from registration fees and stamp duty on land purchase.

Concessions/ exemptions, Reliefs for Co-generation

- (i) Subsidy of 10% on investment in immovable capital investment (machinery and equipments)
- (ii) Exemption from registration fees and stamp duty on land purchase
- (iii) Exemption from electricity duty
- (iv) If the sugar mills generate power, the requisite arrangements for its purchase and distribution will made by the Electricity Board.

5. The incentive package will be available subject to the following conditions :-

- (a) If the company/ unit fails to make the minimum requisite investment after receiving the said incentives/ relief, then the amount given as an incentive/ relief will be recovered as land revenue along with interest at the rate of 15% per annum.
- (b) Claim for the reimbursement of incentive/ relief will be made on a quarterly basis, which will be disposed, as far as possible, within 45 days.
- (c) The date of production would mean the date from which the Unit has actually commenced its commercial production for which it has been registered. The certificate issued by the Director, Technical Development, Department of Industry, shall be valid regarding the date of production.
- (d) In the in event of any dispute arising under this proposed Sugar Incentive Package, the decision of Secretary, Department of Cane Development, will be final.

(e) The incentive package will be admissible to only those units which start their commercial productions within 3 years from the date of announcement of the incentive package. This concession/ exemption, relief will be admissible upto 5 years from the date of commencement of commercial production after the establishment of new sugar mills/ expansion of capacity of existing sugar mills.

(f) Operational sugar mills in the State having, an installed capacity of less than 5000 TCD, will have to expand their capacity upto at least 5000 TCD in order to be eligible to get the benefits of the incentive package, and they will get this only on the expanded capacity, and these concessions/ relief will also be available to and to such sugar mills which have an existing capacity of 5000 TCD or more, and which expand their capacity over and above this/ such installed capacity.

(g) It has been agreed in principle that concessions/ reliefs for the establishment of distillery and co-generation based power production will be admissible for five years from the date of commercial production.

(h) The payment of the amount of subsidy on capital investment (machinery and equipments) for the establishment of sugar factory, will be admissible only after production for one crushing season is undertaken/ completed from the date of commercial production.

6. A Committee will be constituted under the Chairmanship of the Cane Commissioner for the implementation of the Incentive Package, the composition of which will be as under :-

- (i) Cane Commissioner, Bihar, Patna - Chairman
- (ii) Deputy Secretary, Department of Cane Development – Member Secretary
- (iii) Representative of the Department of Finance – Member
- (iv) Managing Director, Bihar Rajya Sakh Evam Viniyog Nigam, Bihar, Patna – Member
- (v) Managing Director, State credit and Investment Corporation (BICICO)- Member
- (vi) Director Technical Development, Department of Industry Bihar, Patna – Member
- (vii) Joint Director, Cane Development, Bihar, Patna–Member

Units/ Entrepreneurs will give their application for the claim of concessions/ reliefs to the Cane Commissioner. The applications received will be examined by the Cane Commissioner and the claims received, alongwith the enquiry report, will be placed before the Committee for recommendation.

Order :- This resolution may be published in the next issue of the Bihar Gazette and information given to all concerned officers

By the order of the Governor Bihar,
Sd/- Baidyanath Mishra,
Secretary,
Department of Cane Development, Bihar, Patna.
